About Us

Everything you need

MCE provides IT support, products, and services both locally and nationally. Through our partnerships with Microsoft, Samsung, and HP, we offer state-of-the-art products at competitive prices, backed by reliable after-sales service and technical support.

Founded in 2009, MCE has grown into a leading IT and telecommunications company, committed to exceptional service and high-quality products. Customer satisfaction remains our top priority. We have a walk-in store in Lichtenburg and are expanding to Potchefstroom, with plans for more branches. Our services include technical support, repairs, and a wide range of IT solutions. Our head office is based in Cape Town.

IT Support

Telephonic Support - Call us and find out how we can help you.

Internal Repairs - Bring your PC to us and our team of qualified technicians will take care of the rest.

Remote Control Support - For your convenience, we also offer remote control support. No need to bring your PC to us or for a technician to visit you.

On-Site Support - Let a technician visit you on your premises (North West only). No need to pack up your PC as we will come to you.

VoIP Solutions

Say goodbye to high phone bills and unreliable networks

We offer affordable VoIP solutions with features such as auto attendant, voice recording, custom music-on-hold and more. Get a VoIP line from MCE or port your existing number to us and SAVE BIG on your telephone bill too. Get a FREE handset with any of our affordable voice bundles!

Services & Support

HP Service Level Agreement (SLA)

With an SLA from MCE for your HP printer, you can rest assured that your equipment is covered even if the unexpected happens. Our fully equipped repair centre, staffed by certified HP MFP specialists, ensures your HP printer receives expert care from the moment you sign up.

An HP SLA means you only pay for your monthly printouts—we handle everything else. The following benefits are included in your HP SLA at no extra cost:

- All ink and toner
- Genuine HP spare parts for normal wear and tear
- On-site labour costs
- Travel to your premises
- Preventative maintenance
- Priority service response

The HP SLA does not cover:

- Repairs due to user negligence or abuse
- Damage from lightning strikes or power surges
- Repairs required due to events beyond MCE South Africa's control

HP Managed Print Services

Hybrid work demands a new approach to print. One that revolves around security, flexibility, and manageability—without the complexity. Trust HP to optimise print for hybrid work.

Finance Solutions

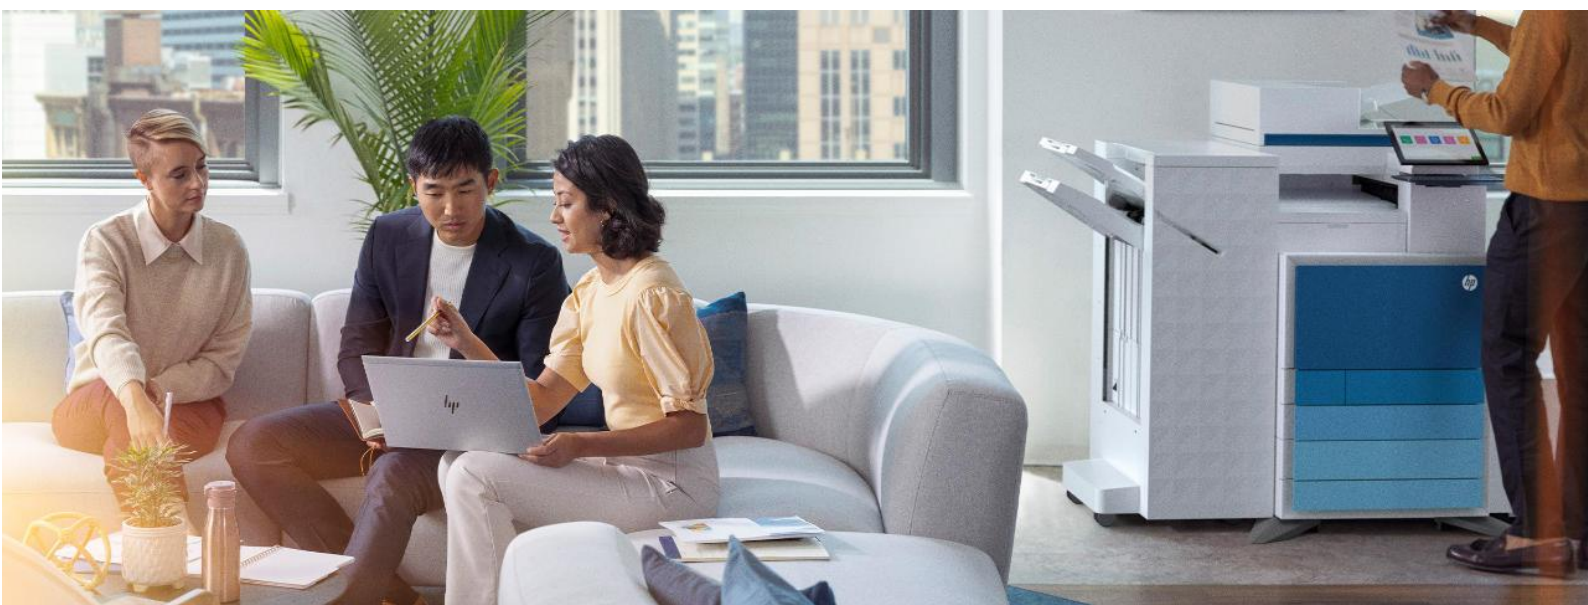

Flexible Finance Solutions for Your Essential Equipment

Our asset-based finance solutions allow you to lease essential equipment, including HP multifunction printers, computers and laptops. Choose a rental term of up to 60 months with 0% escalation, giving you predictable costs and the flexibility to invest in other areas of your business. With our tailored rental options, you can access the latest equipment without the burden of upfront expenses.

Key benefits of our finance solutions:

1. **Preserves Working Capital:** Keep your cash available for other critical business needs or growth opportunities.
2. **Easier Budgeting and Planning:** Fixed monthly payments mean predictable costs with no escalation.
3. **Tax Advantages:** Monthly rental payments may qualify as operating expenses, offering potential tax savings.
4. **Access to the Latest Technology:** Upgrade to newer models as technology advances, keeping your business competitive.
5. **Reduced Maintenance Costs:** Maintenance is included with our SLA, saving you from repair expenses that come with ownership.
6. **Hassle-Free Disposal and Replacement:** Simply return or upgrade equipment at the end of the term without dealing with resale or disposal.
7. **Flexible Scaling Options:** Adjust your equipment needs as your business grows or changes.
8. **No Depreciation Losses:** Avoid the impact of depreciation on owned assets, keeping your balance sheet healthier.
9. **Priority Support and Service Agreements:** Rental agreements with our SLA include priority support and repairs.
10. **Lower Risk Exposure:** Renting limits risks like obsolescence and unexpected repair costs.

Empower your business with the financial freedom to grow while staying equipped with the latest technology.
